

1 RAISED PLANTER + ROOT VIEWING WINDOW
Scale: 3/4" = 1'-0"

As constructed at Lyndon School Outdoor Classroom 2009 - detail courtesy of [CBA Landscape Architects](#), Somerville, MA.

Note: to be used as reference only, adjust details to site conditions; planter bed sides may be 4" x 4"; materials may include recycled plastic landscape timbers, or other; window may be acrylic; allow tolerance in door frame rabbet to accommodate expansion of door with moisture.
